

## 3 RECEPTION

When a year approaches the finish line, you probably want to prepare for the start of a new season. It is time to look back to the old season and look forward to the new one. What direction we will ride to? What are the climbs we are facing? What is the strategy we will adopt? Make a toast with your entire team on what has been and what will be!

For New Year celebrations, you are at the right place at The Tour of Flanders Centre. You can organize your New Year's reception here in the 'Peloton Café' or in 1 of our meeting rooms if you would like to use our audiovisual facilities.

New Year is not the only occasion to raise a glass. The reception formulas mentioned below will be adapted depending on the season. It is also possible to send us a request for a custom package.

Both packages include a museum visit with audio guide and the use of the technical facilities (sound, projection, lighting and wifi).
